

Most Awarded Restaurant

SINCE 1920
Moti Mahal®
tandoori trail®

Inventors of
Original Dal Makhani, Tandoori Chicken & Butter Chicken

Only a few chefs in the history of gastronomy have been credited for inventing a cuisine or even a dish.

Kundan Lal Gujral is one of them. He put the Indian cuisine on the world's culinary map. The India - Pakistan partition forced great chefs to move to India. This led to the emergence of a new culinary chapter. One such man was Kundan Lal Gujral, who started Moti Mahal in 1920 in Peshawar.

The Peshawari phenomenon set up his second eatery in Daryaganj in 1947, following the partition and soon acquired world wide patronage and became an institution.

Moti Mahal's guest list consisted of great people Pt. Jawaharlal Nehru, Indira Gandhi, Former President Zakir Hussain, the Shah of Iran, Kennedys and ex-USSR Premier Nikita Khrushchev, amongst others.

Khrushchev was so impressed by the Indian tandoori food served at Moti Mahal that he invited Kundan to set up Moti Mahal in Moscow at a trade fair for a month in 1960's

The legacy of Moti Mahal continues...And has now reached Vaibhav Khand, Indirapuram, Ghaziabad, Uttar Pradesh.

Kundan Lal Gujral

*The father of tandoori cuisine, the legend.
The founder of Moti Mahal, the man
who gave us tandoori chicken!*
